

# St Catherine's 100 Club

The parish runs a 100 Club to help finance refurbishment of the Church facilities.

## How it works

Parishioners donate £10 per month by standing order. Each month, those individuals are entered into a draw to receive one of three prizes, which as of Jan 2026 are described below:

- First prize £200
- Second Prize: £75
- Third Prize: £25

The difference between what has been donated and the Prizes goes towards the refurbishment of the Parish.

Included in this pack is the Membership Application form, with comprehensive information on the rules

We do hope you can join your fellow parishioners in keeping our wonderful Church and hall up to date and suitable for us and future generations.

Best wishes and Good Luck
